

# Public Health Student Association

March 1<sup>st</sup>, 2017

# Agenda

- Updates/Upcoming Events
- Public Health Spotlight - Led by Danelle
- Break-out Committee Meetings

# Volunteer Opportunity

- HOPES (Health Outreach Project Events Series) is part of a greater project known as HEART (Health Education and Empowerment Advocacy Resource Team) created by IU School of Medicine Students in Lafayette.
- Bi-monthly health clinic in the area, Saturday's 10-2 to meet the needs of disadvantaged & underserved via free access to health and wellness services.
- Interdisciplinary involvement from public health, pharmacy, nutrition, etc.
- Public health students would help with teaching classes at the clinic about healthy behaviors to community members & classes on behavior change and cultural awareness in healthcare to other students.

Passionate about providing healthcare and health education?

## HOPES CALLOUT

**HOPES is an interdisciplinary outreach clinic geared towards providing primary care and education to underserved communities in the Greater Lafayette area. We welcome students from all disciplines and all levels of training!**

# Public Health Spotlight – Planned Parenthood Defunding

# Planned Parenthood Video

# Discussion Questions

1. What are the negatives to defunding Planned Parenthood? Positives?
2. How do you navigate separating the religious beliefs from the healthcare needs?

# Discussion Questions

3. How do you feel about men leading the defunding push?
4. If Planned Parenthood is defunded, what are alternatives for women to receive low-cost health care?

# Discussion Questions

5. Are there ways that everyone can be pleased with the outcome? Is that feasible?

# Up Next

## Symposium:

Thursday, March 23<sup>rd</sup>

5:30PM in ARMS 3115

## Next Meeting:

Friday, March 24<sup>th</sup>

1:30 MTHW 111
